

EBM182 Wet Diamond Drill Motor

EIBENSTOCK Elektrowerkzeuge

The EBM182 is a powerful three speed drill designed for heavy-duty wet core drilling through the toughest of reinforced concrete applications. Only high end components are used throughout to ensure maximum performance and reliability.

Part No 110v: MC13140

Power: 2300w

Weight: 6.7kg

Three Speed Gearbox: Rated Speed 480/1080/2350rpm

Core Sizes: 10 to 202mm

Optimum Size: 152mm

Spindle Connection: 1/2" BSP Female & 1 1/4" UNC Male

Safety Clutch: Mechanical

Temperature Control: Yes

Over Current Cut-Off: Yes

Electronic Soft Start: Yes

Service LED: Yes

Oil Bath Gear Box with Oil Pump: Yes

Vibration Level: 3.8m/s

Noise Level: 78dBA

Warranty: 1-Year

Price: POA
